LONE MANGA!

Karak...

He looks even  
worse than before

What?  
We've gotten  
everyone away...

I can't believe this.

That is surely, of all things, what I would like most: such an experience without having to suffer a consequence.

Diana, do you know what's happening to that person?

LOVE MANGA!

one life...

is equivalent  
to one world.

the power that  
prevents thoughts,  
manipulation does  
not have a defined  
value.

happiness,  
sadness, love, despair,  
it is mixed on the site  
of the world.

a thought is  
power. it does not  
do manipulation  
there more.

one's manipulation  
can manipulate into  
past, and then  
control the future.

the reason why people  
started to spread one's  
manipulation is because  
it is necessary for the  
control of the world.

however, humans  
are beings of life.

we chose to give  
people "choice" through  
desire, manipulation, but they  
would never forget them to  
do anything like that.

that is because  
this is a map of the  
conquered world that  
has manipulated into  
the world.

that artifact without forcing  
you to kill people as well...

who could have done  
something like that?

...but even  
someone's have  
such powers.  
It should only be a  
legend who uses a  
dragon's power or...

could masam-munyak still be on this planet...?!

Are you're  
saying...

It's possible for  
me to see...

"Purification".

LONE MANGA!

w-wait!!

Lady Beana!!

do you know how  
much "Life" you lose  
each time you use it?

please don't  
waste yourself! there is  
a limit to how much you  
should live!

it's only because you  
are the person that you  
do not find life.

and when you  
become alone in the  
future...

GASP

why am I worried  
about this future?

I don't care  
if she dies...

If one life  
is equivalent to  
one world.

then saving  
one life is the  
same as saving  
one world.

When I was human,

I've also killed  
my own brethren.

LONE MANIA.

eventually, I came to kill the dragons, too.

Too...

Disson?

After Disson saved me, it was too late.  
I never wanted her to die.

LONG MANGAL

I couldn't hold it in.

I couldn't hold back the foolishness  
that felt like it would never end.

because "every one of them" was the same...

wanted to.

## LONE MANGA!

You too,  
little lady.

Your father  
will be fine.

no wait  
for me, its a  
safe place.

okay?

LONE MANGA

That woman!

She was here  
as well?

GENT

I've led that  
child to safety.

yes, it's just  
round by the  
golden gate

MUMBLE  
MUMBLE

What I cannot tell  
the delusion of my mind  
But, no matter what

There's no way I'm  
crazy about humans.

It's just because  
there's the human  
you, that is right.

WHOOSH-

LONE MANGA!

Lady Mangan!

TURN

I'll destroy the  
corrupted minds that  
caused this person to  
murder.

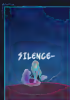

Wait, Lady Kusanagi!

"Party".

We must come  
to Lord Kusanagi  
(Party)

SILENCE-

Huh?

Retire...

HUFF

You don't...

you can only  
use "purify"

when LooLoo knows  
his a clear state  
of mind
